Graduate Assistant
Dairy Systems Management
Animal Science and Veterinary Technology
Tarleton State University

The Department of Animal Science and Veterinary Technology at Tarleton State University is seeking a Master’s Graduate Assistant for a fall 2020 start in the area of Dairy Systems Management with a focus on cow comfort, heat stress, lameness or precision dairy technologies.

**Qualifications:**
Applicants must have earned a B.S. in Animal Science or a similar field with a minimum of a 3.0 GPA. The ideal candidate must have a strong work ethic, be able to work independently and in a group setting, and have excellent written and oral communication skills. Experience with dairy cattle and knowledge of the dairy industry is preferred.

**Compensation:**
Graduate Assistants receive a 9-month stipend (estimated $1,200 per month).

**Application process:**
- Submit a cover letter and resume (including contact information for three references) via email to:
  
  Barbara Jones, Ph.D., PAS  
  Assistant Professor, Animal Sciences and Veterinary Technology  
  Tarleton State University  
  Box T - 0070  
  Stephenville, TX 76402  
  bwjones@tarleton.edu

- Applications will be accepted until December 15, 2019 or until a suitable candidate is found.

Contact Dr. Barbara Jones bwjones@tarleton.edu or 254-968-9971 if you have any questions.
