The joint East and West Central Europe

ISAE Regional Meeting

11-12 June 2018, Warsaw, Poland

“Animal preferences and animal welfare”

ISAE regional meeting attendance awards

The ISAE offers attendance awards for farm animal behaviour and welfare scientists and others wishing to attend the joint East and West Central Europe ISAE Regional Meeting in Warsaw, preferably from, but not limited to, the countries of the Eastern Europe region. The total amount is US\$ 7,500 and will be allocated **to cover costs of attendance**, i.e. full or partial sum equivalent to the cost of the registration, accommodation, reasonable travel expenses, and subsistence.

Applications for funding will be reviewed and will be prioritized on the basis of financial need (applications of students especially welcome). Applications should be submitted by **May 25th 2018** and successful applicants will be notified by **May 30th 2018**.

The application **must** contain all of the following information:

1. Name of applicant
2. Postal address and email address (or fax number)
3. Your occupation or position, e.g. student, active researcher, government employee, official veterinarian, etc. and affiliation.
4. A brief justification for why the award should be received, including what you hope to gain from attending the meeting.
5. A budget for attending the meeting, including the total cost of attendance (registration, accommodation, travel, visa fees and subsistence)

The application information requested above should not be more than 2 pages and it should be accompanied by a brief CV.
